

Listo Tax Solutions in Lewisville, Texas is offering free tax return review in order to assist and educate the Latino Community.

The new office located at the Lewisville West Shopping Center at 701 S Stemmons Freeway, Suite 220 in Lewisville will be offering free tax return review all through the month of March for any person wanting to have their tax return double checked. The primary focus of this free service is to educate the local community on the importance of having an accurately filed tax return. Listo Tax Solutions also wants to educate the local Latino community on tax filing issues specific to their community.

Many people within the community trust a professional to prepare their tax returns. However, ultimately the taxpayer themselves are responsible for the information reported on the tax return. Listo Tax Solutions is dedicated to restoring integrity to the tax industry that is why they are offering this free service. Additionally there are key tax issues that are specific to the Latino community. Some of these issues include the necessity to file a return in order to apply for residency in the U.S., qualifications for dependents living outside of the U.S. and the facts on applying for tax ID numbers. Listo Tax Solutions has had years of experience dealing with these very specific issues and wants to bring that knowledge to the Latino population.

Listo Tax Solutions is a professional office providing tax preparation, accounting, payroll and translation services to the local community. For more information, visit <http://www.listotax.com>.
